Attendance Matters

What's one reason attendance matters?

"The attendance rate is important because students are more likely to succeed in academics when they attend school consistently. It's difficult for the teacher and the class to build their skills and progress if a large number of students are frequently absent." (greatschools.org)

Often when we hear of March Madness, we think of the finals in college basketball. Well, not at Keithley. Our March Madness is a way to earn tickets to enter a raffle and choose items from a prize table on Wednesday mornings. Some ways for Kolts to earn these March Madness tickets are by being learning ready and:

- Arriving on time
- Completing planners
- Sitting in seat during class (unless it's not necessary)

Some of the March Madness rewards and raffle prizes are:

- PGK water bottle
- Donut
- Basketball with Mr. Braggs
- Principal for a day
- Candy or chips
- Etc.

March Madness continues through April 7.

Baseball

Keithley boys baseball is finally here! Tryouts start Monday, March 28 and last all week. Remember to have your physical up-to-date. To register, visit the Keithley website and click "athletics" and then click on "spring sports" and register. If you have questions, see Coach Bielec or Coach Richardson.

The upcoming band concert is almost here! Just TWO WEEKS to go...the music begins on the evening of Thursday, April 6, and the band directors (Ms. Smith and Mr. F) have both worked really hard teaching the students both correct posture and sound. Let's all show up and show our school band some Kolt PRIDE.
